Bio

Chelina Manuhutu born in Amsterdam, The Netherlands, is a DJ and Producer.

Chelina Manuhutu is a true performer and a real star. Despite being surrounded with music in her early life, she found her fortune in the modeling business.

But the true love never walks away. So in 2011 after ten years of modeling Chelina and the music became professionally bound with each other. She manifests herself in several occasions playing Deep/Tech house & Techno music at various places all over the world, from Amsterdam to Ibiza to Miami USA.

She also spends a lot of time producing music in her own studio in Amsterdam, Manhattan Music Studio.
